Five Ways to Prevent Deer Hits

Deer mating season can be a dangerous time for drivers and deer. According to the Insurance Information Institute, **1.6 million deer-vehicle collisions occur each year**, resulting in 200 fatalities, tens of thousands of injuries and over \$3.6 billion in vehicle damage. Hopefully using the following tips will keep you from adding to these statistics:

1. **Watch out for the rest of the gang.** Deer are pack animals, and rarely travel alone. If a deer crosses in front of you, chances are there are more nearby.
2. **Timing is everything.** Deer are active at dusk and dawn and especially between October to January. Slow down and stay alert as lack of light compromises your vision.
3. **Stay center.** On a multi-lane road, the center lane is your safest bet for avoiding deer, as long as traffic laws permit it. This gives deer plenty of space; and in case your vehicle does startle them, it gives you more time to react if one darts onto the road.
4. **Stay the course.** If you see a deer, brake firmly and calmly, and stay in your lane. Swerving could make you lose control of your vehicle and turn a bad situation much worse.
5. **Be Aware.** You may also spot a deer because their eyes will brightly reflect a car's headlights, making them easier to spot.

Meet our new Driver Manager!

Please join us in welcoming the newest addition to our operations staff, Tammy Warren! Tammy comes from all over, but Omaha, NE is where she calls home. Tammy has been involved in the trucking community for over twenty years. Her experience comes primarily from ACT & Werner.

In her spare time Tammy likes relaxing or veggin' out with a good book. She is also a huge fan of the Alabama Crimson Tide. (But don't worry we don't hold a grudge about that.)

Don Hoke, has been showing her the ropes, but now Tammy is ready to take over as the new Driver Manager for Texas-Louisiana and North Carolina.

Thank you Drivers!

Our company is comprised of 150+ employees, with the majority of our employees being our team of drivers.

Our drivers have diverse backgrounds and experiences. We have drivers from 124 different cities from Hamilton, Ohio to Pasadena, Texas. We have drivers that range in ages from 60+ to early 20's. Yet, from all those differences, our drivers share a common goal. The goal of exceeding any expectation that is set in front of them. Our drivers are hardworking and passionate about what they do.

Every day the drivers of LLL Transport help to keep America running strong, and we could not be any more proud. Our customers tell us that LLL is so dependable that often times, after they give us our loads, they never worry about them being completed.

As a driver, your hard work does not go unnoticed. We see the early mornings and the late nights. And we know that your job can be difficult at times. So, we would like to say a huge thank you to all of our drivers! Each and every one of you is truly valued.

October Birthdays

October 2nd: John Tabor

October 3rd: Donald Janssen

October 3rd: Trinity Standridge

October 3rd: Tim Carmack

October 6th: Brian Guthrie

October 7th: William Van Pelt

October 21st: Tim Haley

October 24th: Rhonda Altis

October 25th: Michael Ford

October 27th: Brian Woodfine

October 29th: Nelson Burden

October 30th: Jacob Jeffries

Accident Tips

If you are involved in an accident here are a few tips to keep in mind:

- If there are no major injuries, move your vehicle off the road.
- Stop, turn off your engine and turn on your emergency flashers
- Call 9-1-1 to alert the police and other emergency personnel
- Set out reflective triangles to protect yourself and cargo
- Always report accidents to John Zahner, in the Safety Department; if he is unavailable notify your dispatcher
- Give the police complete and accurate information, don't guess. If you don't remember a detail, it is okay to say that.
- Don't discuss the specifics with anyone without permission from LLL Transport
- Never admit guilt or fault
- Stay on the scene until the Police release you

A Message From Gary Waller

We are very excited about our website! We have made many updates to the page over the last few weeks.

A great new feature we are rolling out, is the ability to view the Newsletter online! To access this, simply go to www.llltransport.com.

On the website click on the **News & Events tab**. You'll see the Newsletter link along with other interesting transportation articles. Click on the link "October 2015 Newsletter".

After you open the link you simply have one more click to view the Newsletter in .pdf format!

Now, every month you'll be able to go online to view the most current Newsletter!

This is just another fun way to share with friends and family everything that goes on here at LLL!

**5799 Broadmoor Street
Suite 750**
Mission, KS 66202

(913) 777-5400

Don't forget to Like us on
Facebook!

Thank you for your photo submission!

After having his truck washed, Josh Gann, Truck #77475, decided his truck was worthy of being in the Newsletter, and we agreed!

If you feel your truck is also Newsletter-worthy then send your photo to trinity@llltransport.com.
